28 May 1980

MEMORANDUM FOR: Chief, Policy and Plans Group

FROM: [REDACTED] (C)
Chief of Operations (PTOS)

SUBJECT: Entries for the DDA Log
22 - 28 May 1980 (U)

1. On 22 May, a member of the Information Systems Security Group participated in a preliminary survey of ADP equipment at the House Select Committee on Intelligence located in the Longworth Building. A followup detailed survey will be required of those systems used to process Agency classified information. (U/AIUO)

4. Three members of the Technical Security Division attended a 3-day work session at [REDACTED] this past week. Intensive discussions centered on operation and repair aspects of the [REDACTED]. The work session was provided at no cost and should result in expeditious in-house repair of many receiver problems at considerable savings to the Agency. (C)
